- (b) **"Customer"** means the person who purchases or subscribes to the Service.
- (c) **"Etisalat"** means Emirates Telecommunications Group Company P.J.S.C.
- (d) **"Fixed Term Plan"** means a plan where the Customer agrees to purchase the Services for the term specified on the Service Application Form and for which a termination charge applies in case of termination before said term.
- (e) **"General T&Cs (Consumer)"** means Etisalat's general terms and conditions for consumer (i.e. non-business) products and services which are published on Etisalat's website and are available through the other communications channels referred to in Clause 30 of the General T&Cs (Consumer).
- (f) **"Minimum Term"** has the meaning given to it in Clause 4(c).
- (g) **"Monthly Term Plan"** means plan where the Customer agrees to purchase the Services on a monthly rolling basis.
- (h) **"Service"** means the service from the list of services set out in Clause 4(c) to which the Customer has subscribed, as described in more details in Clause 3.

### 3. SERVICE DESCRIPTION

These Service Specific Terms cover the fixed telecommunications services offered by Etisalat listed in Clause 4(c). Where the Customer subscribes to more than one of the services listed in Clause 4(c), these Service Specific Terms apply separately to each service. eLife plans may include bundled benefits which are provided by different third parties external to Etisalat, including but not limited to TV or entertainment content providers, loyalty programmes, and vendors.

### 4. COMMENCEMENT & DURATION

- (a) The Agreement is valid and binding on and from the date on which it is submitted to and accepted by Etisalat (the **"Effective Date"**).
- (b) The term of the Agreement (the **"Term"**) starts on the date on which Etisalat makes the Service available to the Customer (**"Activation Date"**) and depends on whether the Customer has subscribed to a Monthly Term Plan or a Fixed Term Plan.
- (c) A minimum term of subscription (**"Minimum Term"**) applies to the Agreement if a Customer is subscribed to the Services for a Fixed Term Plan. The minimum terms for the fixed telecommunications services covered by these Service Specific Terms are as follows:

- (d) In the event there are any temporary-out-of-service periods during the Minimum Term, such temporary-out-of-service periods shall not be deemed part of the Minimum Term, accordingly the Minimum Term shall be automatically extended to cover the temporary-out-of-service periods.
- (e) After the completion of the Minimum Term, and unless terminated by the Customer in accordance with Clause 15

(Termination by the Customer), the Service shall continue to be renewed on a monthly rolling basis. If, following the completion of the Minimum Term, the Customer does not wish to continue using the Service as described above, the Customer can terminate the Service in accordance Clause 15 (Termination by the Customer).
